Media Release Township of Laurentian Valley

FOR IMMEDIATE RELEASE

December 20, 2017

The Township of Laurentian Valley is excited to officially announce our Township page on Facebook. Our goal with this new Facebook page is to provide our community, both residents and visitors, an easier way to receive a variety of useful information such as community news, municipal updates, local events, public notices, local highlights, upcoming council meetings, and more!

With Facebook being one of the most widely used social media platform we are eager to capitalize on its benefits to reach and engage our local users. We are also keen to inspire "likes", "shares" and "comments" in order to promote the Township and bring awareness to broader audiences of what our community is about and has to offer.

"I am very excited for the launch of the Township's first social media initiative! It's a great opportunity for the Township of Laurentian Valley to bridge the gap between local government and its taxpayers by fostering a stronger social connection." states Mayor Steve Bennett.
