The Clerk, no later than ten days after Nomination Day, shall mail or cause to be mailed, to every elector on the Voters List on the date of mailing, a complete voters package and thereafter the Clerk shall at the time of adding an elector to the Voters List, deliver or cause to be delivered to the elector, a complete voters package

Ballots received by the Clerk after 8:00 PM on Voting Day shall not be counted and shall be treated as rejected ballots, placed in a sealed box and retained for the statutory document retention period.

A separate voting package is required from each individual elector. Packages which contain more than one identification slip, ballots from another elector or more than one inner ballot envelope shall be treated as rejected ballots.

Voting packages shall be mailed to the elector’s address as shown on the voter’s list. Electors wishing to redirect voting packages to an alternate address must make the request in writing to the Clerk on a form available from the municipal office, not later than October 13th 2006.

The vote by mail procedure is as follows: Upon receipt of the voting package, the elector shall complete the ballot(s), insert the ballot in the secrecy envelope, seal the secrecy envelope, place the secrecy envelope in the return envelope, complete the Voter Declaration Form and insert it into the return envelope. The elector shall then seal the return envelope and mail or deliver it to the Advance Ballot Return Station prior to voting day or deliver it to the Voting Day Return Station on voting day.

Each day, as return voting packages are received at the municipal office, designated staff will
remove the ballot envelope and voter identification slip and update the voters list by striking off the name of the voter. Sealed ballot envelopes will be sorted according to ward and placed in a secure ballot box. A ballot envelope, which is not sealed, or has marks which may identify the elector will be rejected, marked accordingly, and kept separately in a secure ballot box. At the end of each day the Clerk or designated official shall affix a seal to each of the ward ballot boxes, initial the seal and place the sealed ballot boxes in a secure place. Each morning the Clerk or designate shall retrieve the ballot boxes, inspect the seals to ensure they are intact, and in the presence of another staff member break the seals to access the slots for use during the day. After 8:00 PM on voting day the boxes will be sealed and transferred to the care of the Clerk, who shall transport them to a designated secure counting area.

Should a voting package be returned to the municipality as “undelivered”, it shall be marked invalid and stored in a separate, sealed ballot box, under the care of the Clerk.
