COMMUNICATIONS REQUIREMENTS

Unless specified otherwise in Schedule "F", for the purposes of this Schedule "G" the Recipient shall follow these communications requirements.

Purpose of Schedule

This Schedule describes the Recipient's responsibilities and financial obligations involved in the joint communications activities and products for the Project to recognize the contributions of the Government of Canada, the Government of Ontario and the Recipient.

General Principles

The Recipient agrees to work with ISF officials and other partners to undertake communication activities for the Project in an open, effective and proactive manner, ensuring equal recognition of all parties making a significant financial contribution to the Project.

All parties making a significant financial contribution to the Project will receive equal recognition and prominence when logos, symbols, flags and other types of identification are incorporated into events, signs and plaques unless OMAFRA specifies otherwise.

All events, signs and plaques will follow these Communications Requirements and any other requirements that may be specified by OMAFRA from time to time.

Both official languages will be used for public information, signs and plaques in accordance with the Official Languages Act.

The Recipient may produce information kits, brochures, public reports and Web pages providing information on the Project and Agreement for private-sector interest groups, contractors and members of the public. The Recipient will consult with the Governments of Canada and Ontario in preparing the content and look of all such material. All communications referencing the Governments of Canada and Ontario must be approved.

Events

The Recipient agrees that all Project-related milestone events, such as groundbreaking and ribbon-cutting ceremonies, will be organized in cooperation with the Governments of Canada and Ontario and any other parties making a significant financial contribution to the Project.

The Recipient will coordinate a mutually agreeable venue, date and time for the event in light of the availability of all participants. Unless agreed to in advance, no event should take place without at least fifteen (15) working days' notice to all Parties.

The Recipient may invite other elected officials and members of council. The Recipient should also invite local interested parties, such as contractors, architects, labour groups, and community leaders as early as possible, and in consultation with the Governments of Canada and Ontario, prior to the event.
ISF Contribution Agreement

All written communications (invitations, public service announcements, posters, etc.) must indicate that the Project received Financial Assistance from the Governments of Canada and Ontario under the ISF. The Governments of Canada and Ontario will assist the Recipient in developing an agenda, news release, etc. All parties will approve and receive final copies.

Federal, provincial and municipal flags should also be on display at all ISF events.

The Table of Precedence for Canada, as established by Canadian Heritage (http://www.pch.gc.ca/pgm/ceem-cced/prtcl/precedence-eng.cfm), or some other mutually acceptable protocol should be respected.

**Signs and Plaques**

The Recipient agrees to produce and install temporary and permanent Project signage to communicate the nature of the Project and the involvement of the Governments of Canada and Ontario and the Recipient, as outlined in the ISF Style Guide.

Generally, the Recipient must ensure that the design, wording and specifications for signage are in accordance with federal and provincial visual identity guidelines, available on the ISF website at www.BCFontario.ca.

Temporary signs must be removed within 90 days of project completion.

**Eligible Costs**

The Recipient will pay the costs of preparing and delivering communications activities and products, including the organization of special events and the production of signage. These costs are deemed to be Eligible Costs under the Agreement as specified below.

4.0 No Implicit Acknowledgement

4.1 Nothing in this Agreement shall be construed as an admission, acknowledgment, agreement or concession by Ontario or the Recipient, that a S. 35 Duty applies in relation to the Project, nor that any responsibility set out herein is, under the Constitution of Canada, necessarily a mandatory aspect or requirement of any S. 35 Duty, nor that a particular aspect of consultation referred to in Section 3.1 hereof is an aspect of the S. 35 Duty that could not have lawfully been delegated to the Recipient had the Parties so agreed.
