**PURPOSE, EFFECT & LOCATION OF ZONING BY-LAW AMENDMENT (Application Z-2021-05)**

The purpose of the amendment is to allow a bed and breakfast establishment as part of an existing single detached dwelling. The Zoning By-law definition for BED AND BREAKFAST ESTABLISHMENT means an owner-occupied single detached dwelling or portion thereof in which there are no more than three (3) guest rooms, used or maintained for hire or gain on a temporary or day-to-day basis, as accommodation with or without meals, for other persons, particularly tourists or vacationers. This definition shall not include a motel, hotel, apartment dwelling house, boarding house, rooming house, restaurant or any other establishment defined in this By-law.

The effect of the amendment is to establish a Limited Service Residential – Exception Three Zone (LSR–E3) zone with a special provision that adds a bed and breakfast establishment as a permitted use on the subject property and also to rezone the property from Limited Service Residential (LSR) to “Limited Service Residential–Exception Three Zone (LSR–E3)”.
