

Township of Laurentian Valley

ADOPT-A-ROAD PROGRAM Application/Formal Agreement

Purpose

The Township of Laurentian Valley has established an Adopt-A-Road Program as a public service program, for volunteers to enhance the local litter collection activities of the Municipality, by picking up litter along Township Road Rights-of-Way. It is a way for environmentally conscious citizens to make a personal contribution to a cleaner and more beautiful environment.

Under the program, a group or an individual agrees to adopt a section of Township Road Right-of-Way and keep it clean. In addition, a sign will be erected at each end of the road section by the Township to acknowledge the group's or individual's efforts.

Participation in the Adopt-A-Road Program

Safety is of primary importance in all Township of Laurentian Valley decisions related to the Adopt-A-Road Program. Only groups and individuals determined by the Township to be responsible and to exhibit, in good faith, the desire and the ability to achieve Adopt-A-Road Program objectives (within the parameters of these terms and conditions) will be allowed to adopt a section of Township Road Right-of-Way. The Township of Laurentian Valley may refuse to grant a request to adopt a section if, in its' opinion, granting the request would jeopardize the program, be counter-productive to the purpose, create a public safety hazard or be in conflict with Township Policies.

Volunteers are not considered as Officers, Employees or Agents of the Township of Laurentian Valley. Any injuries, claims, liabilities, suits or costs arising from the volunteers' activities, while participating in the Adopt-A-Road Program, shall be the sole responsibility of the volunteers. Volunteers shall indemnify the Township of Laurentian Valley and agree to abide by the Township's guidelines and will not hold the Township responsible for any injuries or damages that they may cause or suffer, as a result of participating in the Adopt-A-Road Program.

Volunteers are encouraged to recycle materials collected from the adopted section of right-of-way, whenever and wherever possible.
